WESTERN AUSTRALIAN  
Electoral Commission

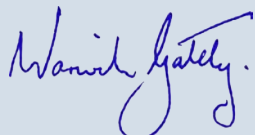

# Message from the Electoral Commissioner

I commend the Commission's Strategic Plan for the period 2010-13. It sets out our objectives, how we intend to achieve them and how we will measure our performance.

To produce this plan, we have reappraised the Purpose of the Commission, the environment in which we operate, our challenges and our opportunities.

Externally, we have reaffirmed our commitment to the Parliament and people of Western Australia to deliver optimal electoral services. By doing this, we will fulfil our purpose of providing all Western Australians with quality electoral services through the conduct of impartial and independent elections and the promotion of public awareness of electoral matters, thereby fostering public confidence and participation in the electoral process. At the same time we commit to engaging professionally and transparently with our clients, striving to understand their needs, honour our commitments, build long-term relationships and foster good communication.

Internally, we are committed to valuing and developing our people, and engendering a culture of excellence, fairness, respect and collaboration. We seek to be recognised as a learning organisation.

Electoral Commissioner
